CANCELLATION AND REFUND POLICIES

STUDENT'S RIGHT TO CANCEL: you have the right to cancel this agreement for a course of instruction including any equipment such as books materials and supplies or any other goods related to the instruction offered in this Agreement, until midnight of the first day after the first class you attended OR the student has the right to cancel and obtain a refund of charges paid through attendance at the first class session, OR the seventh day after enrollment, whichever is later. Business day means a day on which you were scheduled to attend a class session.

If the student has received federal student aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Cancellation shall occur when you give written notice of cancellation at the address of the school shown on top of the first page of the Enrollment Agreement. You can do this by mail, delivery or telegram. The written notice of cancellation, sent by mail, is effective when deposited in the mail properly addressed with postage prepaid.

The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that you no longer wish to be bound by this Agreement. If the school has given you any equipment, including books or other materials, you shall return them to the school within thirty days following the date of your Notice of Cancellation. If you fail to return this equipment, including books and other materials, in good condition within the thirty [30] day period, the School may deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation.

If you cancel this Agreement, the School will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within thirty days after your Notice of Cancellation is received.
